

# COOPEUS - Cooperation EU/US

COOPEUS (Strengthening the cooperation between the US and the EU in the field of environmental research infrastructures. Grant Agreement number: CSA-312118).

Developing world-class research infrastructures for environmental research is one of the top priorities of European authorities. This proposal brings together scientists and users being involved in Europe's major environmental related research infrastructure projects, i.e. EISCAT, EPOS, LifeWATCH, EMSO, and ICOS, with their US counterparts that are responsible for the NSF funded projects AMISR, EARTHSOPE, DataONE, OOI and NEON. The intention is that by interlinking these ac...
